## **AGREEMENT FOR TOURNAMENT ENTRY PAYMENT for 2017**

I am attaching a deposit of \$300 in the form of a Personal Check, that will be used to hold a spot in any tournament that I am accepted in that is run by Strojan Kennison excluding all State, National, NW Championship and World Tournaments. If I fail to show, or give proper notice of dropping out, I accept that my check will be cashed and applied to the entry fee due for that tournament:

I \_\_\_\_\_, coach/manager/sponsor of the \_\_\_\_\_ Slow Pitch team, do agree with the following stipulations in regards to my ability to enter and reserve a spot in tournaments run by Strojan Kennison, during the 2017 season:

1. Once I have asked to be entered into a tournament, I agree that I will be responsible for the entry fee of that tournament unless I contact Strojan Kennison, no less than 7 days prior to the tournament, by email at Strojan.Kennison@usssa.com and, receive a reply back from Strojan agreeing that I have been dropped from the tournament. If this notification is less than 7 days prior to the tournament in question, then my team will be dropped from the tournament only if a replacement team can be found. Unless this process is followed, I understand that I will be drawn into the tournament in question and I will pay the entry fee regardless if my team shows, or not.
2. I accept that by signing this I understand that when my teams' name appears as paid for a tournament, it is because of this agreement and that I will have the entry fee at the tournament prior to my teams' first game. I will put the entire entry fee into an envelope, labeled with our teams' name, and give it to the Tournament Director prior to taking the field for our first game. It is my responsibility to have all of the money in the envelope, and not be in the process of collecting from my players while we are playing a game. This is to make this process a plus for both of us. Failure to do this causes further work and financial problems for the TD.
3. I understand that if the tournament is canceled, at the complex because of weather, before I have had the opportunity to present payment to the Tournament Director, I will forward a fee of \$20 to the TD within 7 days, to help offset the costs of putting that tournament together.
